WHAT DO TEACHERS SAY ABOUT OUR CLASSES?

I wanted to thank you very much on behalf of our school, the students and the staff for coming and sharing your culinary expertise, your delicious food, your wonderful way with the students and, of course, Italian language and culture (which was incredibile!!!).

Many of them continue to make your delicious pasta and sauce at home. The whole day was so well planned and organised and pitched at the right level. You are a great teacher! We would love to invite you back again soon.
Grazie mille Jenny M.

Ciao Luca! I've received so many videos and photos of the kids making their pasta dish at home that my email box is full! They loved the experience and we can't wait to have you back next year. Regards Raffaella C.
p.s. Look forward to seeing you at the Teacher's cooking class for our Staff Development Day
