SYNOPSIS

MY love STORY!! is a heart-warming high school comedy for all ages. Based on a hit comic book series, main character Takeo Goda is a freshman in high school, but his fierce-looking face and a hulking body looks nothing like a high school student. His rugged looks and awkward manner repel girls, but his warmhearted nature and willingness to help others makes him popular with all his classmates!

JFF SCHOOL SCREENINGS

The school screening program is part of the annual Japanese Film Festival which runs in major cities across Australia. A Unit of Work on the film is provided to teachers for students to complete in advance. A fun Japan related quiz will be held at the cinema before the film.
