

THE LANGUAGE LEARNING SPACE: INDONESIAN

The Language Learning Space (www.lls.edu.au) is a free website to support you and your students of Indonesian. Developed by Education Services Australia on behalf of the Australian Government Department of Education and written by teachers, for teachers, this site is sure to be a favourite.

Teachers are supported via a comprehensive professional learning section covering a range of current topics of interest to language teachers. Topics include:

- ICT in the Indonesian classroom
- Setting up an Indonesian Language Program and promoting Indonesian in your school
- Professional Standards for Indonesian language teachers
- Unpacking the Australian Curriculum, Indonesian
- Setting up a Sister School partnership

Teachers will find a suite of over 350 resources, all conveniently located in the one spot, aligned to the Australian Curriculum and all absolutely free, including these showcase collections:

- Rasa Bahasa dictionary app for mobile devices as well as desktop computers
- Languages Online – 16 units, with the free app available in iTunes and Google Play
- New Land New Language, Stages 1,2,3
- The Language Market - 16 sequenced units
- Bahasa Bites short video series

and much more..

Students will enjoy the exciting game-based language learning challenges. Each one is set in a rich graphic novel environment that places them directly into the unique cultures across the Indonesian archipelago, building both cultural knowledge and intercultural understanding.

Both teachers and students will find it easy to practise their pronunciation by booking free lessons with the LLS Tutor service. Teachers from our partners, the IALF in Bali, bring a unique and immediate authenticity to language learning.

It's easy to access the LLS, set up your classes, personalise learning to address the range of different learning styles and proficiency levels of your students and manage their progress.
