Dear teachers

The Nihongo Tanken Centre will facilitate a Year 12 HSC online Continuers workshop during the April school holiday period. This workshop is available to NSW DoE school students.

## Date/time

Group session:

- 11 April – 9:30-11:00 am

Individual speaking sessions:

- 11 April – 12:30-3:00 pm
- 12 April – 9:00-3:00 pm

Each student will be allocated 15 minutes speaking practice with the Tanken Centre staff.

Note: as per the department's [Guidelines for using live video with students](#), we cannot conduct one-to-one sessions with the students. Therefore, during the allocated speaking practice time, teachers will need to be in the same Zoom room as the students. For example, if you have enrolled three students, you will need to stay with them in the same Zoom room for 45 minutes (15 minutes per student). If you are not available, your students are welcome to attend the group session only.

## Cost

Free of charge

This workshop targets both language skills and exam techniques. The workshop will be held online, through Zoom. Each student requires a device and a stable Internet connection to attend this workshop.

### **Registration process**

We always receive more applications than we have places. This workshop has limited places which they are allocated on a first come first serve basis. To ensure a place for your students, please send page 2 and 3 of the application for **all** interested students:

- fill in the workshop registration form with students' details. It is important for students to provide a **contact number** and a **legible email address** in case we need to contact them in the holidays
- email the completed registration form to: [nihongo.tanken@det.nsw.edu.au](mailto:nihongo.tanken@det.nsw.edu.au).
